**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Support broadband competition, internet phones and smaller internet and telephone services over large conglomerates like AT&T.

Cost need to be kept lower with competition and not deleting competition.

At the very least the States should have the right to choose with no opposition from the Federal Government.
